

NEWS RELEASE

CHAKANA POSTS NEW TECHNICAL PRESENTATION ON WEBSITE

Vancouver, B.C., October 28, 2019 – Chakana Copper Corp. (TSX-V: PERU; OTCQB: CHKKF; FWB: 1ZX) (the “Company” or “Chakana”), is pleased to announce that it has posted a new technical presentation to its website. The presentation titled “Soledad - an Emerging High Cu-Au-Ag Discovery Hosted in Tourmaline Breccia Pipes Peru” was recently presented at the Society of Economic Geologists Annual Meeting in Santiago, Chile.

The presentation presents many new insights into the geology and mineralization at Chakana’s flagship Soledad project and should be of interest to shareholders interested in the recent advances made in understanding these tourmaline breccia style of copper-gold-silver deposits.

Neither TSX Venture Exchange nor its Regulation Services Provider (as that term is defined in the policies of the Exchange) accepts responsibility for the adequacy or accuracy of this release.

This release may contain forward-looking statements. Forward-looking statements involve known and unknown risks, uncertainties, and other factors which may cause the actual results, performance, or achievements of Chakana to be materially different from any future results, performance, or achievements expressed or implied by the forward-looking statements. Forward looking statements or information relates to, among other things, the interpretation of the nature of the mineralization at the Project, the potential to grow the Project, the potential to expand the mineralization, the planning for further exploration work, the ability to de-risk the potential exploration targets, and our belief about the unexplored parts of the Project. These forward-looking statements are based on management’s current expectations and beliefs but given the uncertainties, assumptions and risks, readers are cautioned not to place undue reliance on such forward- looking statements or information. The Company disclaims any obligation to update, or to publicly announce, any such statements, events or developments except as required by law.
